There are never enough or right words to say when a family Matriarch makes her transition. Just know that your Mom/Grandmother is living pain free in God's house - Heaven - and yes; she's still styling!! Keep your hearts filled with Loving memories. Deepest Condolences and sending Huge Hugs - Aunt Valerie Simmons

“ Dwayne, Lamont, and Karen - it's Jim Guthrie

Your mom Estelle was a truly wonderful lady and someone whose respect & friendship over the years meant a great deal to me. She treated me just like another son; something truly remarkable when I look back on it.

She was ahead of her time in judging people based on their actions & character and not by the color of their skin; something you can all be proud of. She had a terrific sense of humor too! I'm so lucky to have been able to call her a friend for the last 45 years. She was one of those exceptional people that made an impression on you.

I'll keep you all in my thoughts and prayers these next few days.

“ Lamont, Dwayne & Karen - it's Beth, Marian's daughter.

Your mom was like family to me since I was a young child. In my minds eye I still see tall beautiful Estelle with giant smiles, huge hugs and laughter at mom's house so many times. These are truly treasured memories and I am so grateful for them.

Thank you for sharing your most awesome mom with me. I am a better person for having her in my life. My love to you all, during this difficult time and always.
