“ My name is Robert Dow and I am the younger brother of Agnes Foldes (maiden name Agnes Dow) who unfortunately died on April 25 2024. Agnes emigrated from Scotland to America in the late 1950's and was married to Mr Alan Foldes. Agnes always kept in touch with her Scottish family (she has two sisters and three brothers still living) through emails, letters, Christmas cards and telephone conversations, but for the past year her Scottish family had been unable to contact Agnes via the normal channels which naturally aroused their concern for her wellbeing. It was only when her Scottish family searched on the Internet that they discovered Agnes had died on April 25 2024 and was cremated on April 29 2024. Her Scottish family were extremely distraught when discovering this dreadful information and they are now desperately seeking further information as to what were the circumstances that led to her death, because no one has ever contacted her Scottish family either at the time of her death or since, to explain the dreadful news, even though her Scottish family have tried on numerous occasions to contact the Foldes family, the apartments where she lived at 2210 Heights Lane or the care center at Glen Hill where she died. Therefore, if anyone reading this appeal can inform her Scottish family of the circumstances that led to her death then please contact me at the email provided below.

Yours Sincerely,

Mr Robert Dow. (Email; Robert.dow12898@gmail.com).
