“ *Your mom was such a wonderful lady. She would always be happy to see me and feed me when I entered your house. I often think about the times we spent together with her and all the amazing meals she cooked. She always made me feel like family when I was around. When I bought my first home she came over and helped me make all the curtains for my son's bedroom and later all the curtains for my living room, dining room , and the countless outfits she'd altered. She was always there for me and I loved her very much! She's the only other woman I called, "Mom"! I'm so truly sorry for your loss and will always remember her with happiness and love in my heart.*
