“ Anita was a long time volunteer of SPCA Westchester who participated regularly in our humane education presentations with her beloved dog, Sandy. She brought cheer to our staff with her enthusiasm and kind-heartedness and was a big champion of homeless animals in need. Anita will be missed and we send our deepest condolences to her friends and family.

“ The world is dimmer with the loss of the light of Anita. She was a steadfast volunteer for many organizations in our community. When I served as Volunteer New York!'s executive director, Anita rarely missed an opportunity to stop by when she was in, ready to share an observation, a bit of advice, or simply say hello. She was the only “clown” who didn't make me nervous. Her actions for others are her lasting legacy. May her memory always be for a blessing.

“ On behalf of Lincoln High School's Class of 1965 in Yonkers, NY, we mourn the sudden loss of Anita. She was the nucleus of our periodic reunions, always taking on organizational tasks when so many of us were scattered around the country. She welcomed all alumni and "worked the room" to be sure everyone was having a great time. We were blessed to have known her and will miss her energy and enthusiasm.

Anita was one of my dearest high school buddies whose friendship brought us together for vacations and birthday celebrations each year. She was sassy, a great listener as I played the piano for scholarship-prep, and a fun troubadour in a folk ensemble we cherished through high school. Over the past 2 years, as my health was wavering, Anita would call each week and “hound me” into believing that I had the strength to return to better health. Her hounding really did help! I will miss you dear friend.

“ *Anita was such a devoted volunteer and a very hard worker. Didn't hurt that she always made me laugh, too.* ”
