“*Dear Maria and Family, we are so saddened to hear the news of Anna’s passing. She will be greatly missed. Our hearts are with you as you remember Anna. We will always remember our wonderful friendship and memories of Anna including her reading of 1 Corinthians 13 in Italian at our wedding and the fabulous Macchiagodena Reunions that she helped organize for so many years.*

Someone once said, When your loved one becomes a memory, your memory becomes a treasure. May God use all of your treasured memories of Anna to carry you and lift you up throughout the rest of your lives. We pray that God’s peace that surpasses all understanding will guard your hearts and minds through Christ Jesus (Philippians 4:7).

As part of our remembrance, Anna, you and your entire family will be remembered in the Feast of The Sacred Heart Novena of Masses by the Priests of the Sacred Heart in Hales Corner, WI from June 16-24. May Anna rest in the loving arms of Jesus and may perpetual light surround her and your whole family as you remember her and rest in Jesus loving care. With lots of love, hugs, kisses and prayers, Joseph and Lucy Perrella-Franceus and Rosa Perrella

“ *My dear Comare, Anna has passed. It's so hard to believe. I will miss our long conversations about politics and the world, but most of all I will miss her humor, vitality and memories that we shared along the way. I will miss her terribly. Love you always, your Goddaughter, Teresa*

“ *Anna & I became especially close during my years as First Lady of the City of New York. She even volunteered in my office and used her sewing skills to "chic up" my wardrobe for events & my work on TV! Most important, she was a strong & loyal friend. She was also a mighty force for the people of the NYPD, particularly after the murder of her beloved son, Anthony, who left his wonderful wife Patti with four little girls. Anna was a remarkable mother and grandmother to all the Venditti's, and all who came into their circle. They are an amazing family.*

All respect, Anna. And much love. -- Donna Hanover

“ We have so many wonderful memories of our dear friend and neighbor, Ann. Too many to even begin listing them!! I loved going in so she could teach me to make something new. Every time I make roasted peppers I think of your mom saying that she didn't like skin or seeds in her mouth. Needless to say, I never have any in mine either! So many laughs at our card games! She was loved and will be missed. Love, Diane (Russo) Harris
