“ Hey Ant, it's your little sister... I turn 28 tomorrow! I miss you so much it hurts, thank you for being my strongest guardian angel- I know you're with me in spirit. Next month you'll be an uncle- but you already knew this- I know you helped guide the perfect soul to me to grow and nourish. Little Penelope (my Penny from heaven) will grow up to know about her uncle Anthony and I'll carry on everything you've taught me. You were and always will be the best big brother a little sister could ask for. I love you forever and eternity- until we meet again.

“ Anthony, My heart is so broken, I'm so lost with out you, your phone calls, your texts and messages everyday, I keep looking to see if you have answered me yet... looking at the calender to see what and where I need to take you today, for what appointment to see which Doctor.... instead I have been going through all of your drawers emptying out your apt. Putting your life into boxes Your brother called me yesterday to say "Mom Anthony needs you one more time to come and pick him up, One last ride home...." I stopped for a moment thinking Ahhhhh there he is Steve found him.... he's ok... I know he is now SAFE....no more pain, no more being alone ,No more of worries... I know he will Always be here with us, Just now in a different way. Little Anthony said the angels made a mistake they took the wrong person, why did God need his daddy? How do we explaining all this to a 6 year old? who only wanted his daddy to be all better.... I love you Anthony Please watch over us, watch over your son.... and you run free up there, I know you will always Stand by me.... we promised that years ago to each other and some day I will be able to watch us dancing to our song... give your Grandma and Grandpa a big hug from us... and Uncle Timmy..... I LOVE YOU...!!!!
