Nancy,
Thank you so much for the nice memory of Mom. We remember you as well and she always said such nice things about you. You were always so nice to her. I believe you worked with Frank at Sak's Fifth Ave in White Plains back in the day. I am sure she brought you plates of her famous Pecan cookies over the years. Thanks for making our mom look beautiful over the years.

Pat,

Thank you for the beautiful sentiment you wrote about our Mom. She loved you and valued your friendship. When the two of you were together, there was so much laughter and joking around. You were a good friend to her and she always looked forward to seeing you or just talking over the phone. Her memories of working at Texaco we some of the best years of her life because of the people she worked with and the friends she made there.
