

## David C. Walsh

March 23, 1971 - July 8, 2022

David C. Walsh, born March 23, 1971 passed away peacefully on July 8th, at the age of 51. David is survived by his wife Karina, his parents Ann and Dave, his brother Ken (Courtenay), his two nieces Brenna and Alana and numerous cousins who loved him.

David was born in Bronx, NY. His family moved to Irvington, NY when he was six years old. He lived in Irvington for forty of the next forty-four years. David graduated from Immaculate Conception School, Irvington High School and IONA College.

David loved his wife, family, friends, coworkers and loved to help people. He followed in his fathers footsteps by becoming a Police Officer. David found his true calling working for the Irvington Police Department for twenty years. He retired in January of this year as a Detective. For most of David's tenure, he was the liaison to the Senior Citizens of Irvington. He loved working with the Seniors and they loved him back.

David found true love and happiness when he met Karina fourteen years ago. They were building a beautiful life together. Unfortunately, David was

diagnosed with Glioblastoma Brain Cancer in September of last year. Even until the last days that he was able to speak, he had a positive attitude of “dealing with today”. This was mostly due to the love that he felt from his wife, family, friends, coworkers and the entire community. This support helped him tremendously.

The wake is scheduled from 4PM to 9PM on Tuesday at Dwyer & Michael’s Funeral Home in Tarrytown, NY. The Funeral will be at 10AM on Wednesday at Immaculate Conception Church in Irvington, NY.

In lieu of flowers, please make a donation in honor of David to this group that was very helpful during this past year:

“ *You could always count on a quiet smile when you met Dave in the Village. His gentle manner and kindness is a loss to our Village. As Billy Joel sings "only the good die young".*

“ It is the small actions that reflect the true nature of a human being. Whenever David saw me in the laundry room, he would pop in for a little chat. Inevitably, our conversations would steer in the direction of being compassionate and kind. Clearly David was on a journey to enhance these qualities, based on his curiosity about the various spiritual philosophies. If my laundry process was completed and we were still chatting, he would automatically take my laden bags to my apartment unit. In his professional capacity, we will all remember his playful mood on July 4th, as he directed his Irvington community to see the fireworks. But, my most indelible memory will be seeing David and Karina walking, always hand-in-hand, on their evening strolls, and I would think what a wonderful team they were. Rest in peace, David, and thank you for your compassion and kindness. Deepest condolences to Karina and all who David loved - a love that remains with you still.

“ Officer Walsh was so friendly and kind. He reminded me of the iconic Norman Rockwell painting of the policeman on the beat, leaning down to speak to the little boy. Tragic loss for his family, the IPD and Irvington community. Our deepest sympathies.
