Edwin Howard Mernyk

May 24, 1931 – November 9, 2024

Edwin Howard Mernyk, age 93, passed away peacefully on November 9, 2024. He leaves behind his loving wife of over 50 years, Krystyna Mernyk; his four adoring children, Carolyn, Jon and wife Alisa, Paul and wife Jenny, and Suzanne; as well as nine dotting grand- and great-grandchildren, with whom he shared the words, “I love you,” at every possible opportunity. “ Love to Suzanne and family as you process the passing of your dear father.  
Edwin was the name of my mother's brother who didn't have such a long life.  
Hope there are hidden rewards as you do the hard work of honoring the man and wrapping up his life. Love Abby Walker
