“ Mrs. Cooney was so nice and generous to us growing up, especially with her time. She took us to the movies all the time in the "Coonmobile," a huge blue station wagon. She did things with us when we were teenagers. I really always remembered how much she cared for us. I was close with both Maureen and Susan when we were young, but she was really the only mother in the crowd that took us out for events on a regular basis. Once about 15 years ago, I saw her and told her how much I appreciated her, she said , "Really? I did that? She was humble too. I will always appreciate her. And how nice as well was her grandson Micheal . He was so nice to my mom in Tarrytown as well. Just a lovely family!!!

“ My husband Nick and I adored E! She is my brother's mother in law and was at our wedding in North Carolina. She rented a huge white pick up truck for the weekend! We also stayed with her in Florida. She had so much energy and was very funny and also generous. She will be missed!

“ *I loved working with Elaine on the Helen Hayes Hospital Foundation. We grew to be good friends and she called me Hild! She never said no when I asked for her help and when we put together the Thrift Shop, my dream project, she was right in there helping find racks, clothing and goodies. She was the best and out of that friendship grew friendship with the great Cooney family!! May E Diddy Rest In Peace! Hilda Kogut*
