In Loving Memory of Erica Lynn Puff Scafidi

October 30, 1988 – May 29, 2025

Erica Lynn Puff Scafidi, 36, passed away unexpectedly on May 29, 2025 — the first and only time she ever did anything quietly. She was born in Manhattan on October 30, 1988 to the late Susan Lynn Puff.

To know Erica was to know joy, color, creativity, and a bit of mischief. Her presence filled every room she entered, often before she said a single word — though anyone who knew her could tell you that silence was never really her style. Erica's radiant spirit, boundless love, and unwavering strength touched everyone she met and will forever be cherished.

A graduate of Yorktown High School and the Board of Cooperative Education Services Culinary Arts program, Erica pursued her passion for food at the prestigious Culinary Institute of America. Her culinary talents were only rivaled by her flair for creativity — she was just as likely to serve you a gourmet meal as she was to hand you a beautifully crafted holiday decoration, made with love and a touch of sparkle.

As the oldest of all the grandchildren, Erica proudly took on the role of

“Cousin-in-Chief,” orchestrating scavenger hunts, introducing the younger ones to the magic of gourmet cooking, and leading the charge in mischievous adventures. Her ability to turn any moment into a memory will forever be remembered by those who shared in her vibrant life.

Erica had the rare gift of instant connection — she could talk to anyone, about anything, and made friends wherever she went. Her heart was enormous and ever open, shown through her devoted care for her grandparents and the deep bond she shared with her rescue dog and loyal companion, Ladybug.

Holidays were her masterpiece — especially Halloween and Christmas, which she transformed into full-scale productions complete with handmade decorations, themed treats, and a sense of magic that only Erica could create.

Her departure has left a void in the lives of those who loved her. But in every shared recipe, every glimmering craft, every mischievous laugh, and every warm hug remembered, Erica lives on.

She was a force of nature — bold, kind, wildly creative, and endlessly loving. And though she may have left us quietly, the echo of her laughter and light will never fade.

She was preceded in death by her grandparents Anne and Buddy Puff. Left to cherish Erica’s vibrant and loving memory are her aunt, Linda Groarke, and her uncle, Kenny Puff, along with her beloved cousins: Benjamin Puff, Jennifer Dorman, Kristina Armistead, Matthew Groarke, Jackie Groarke, and her

youngest cousin and godson, Sean Groarke, with whom she shared a particularly special bond. She is deeply missed by her best friend and soul mate, Bret Oleet.
