“ I just found out today of Eva’s passing. She passed away on the same day my own mother passed. Despite knowing her diagnosis, I held out hope she could beat it, due to her enduring strength, positivity and kindness. She was truly my favorite relative on my husbands side, making me feel welcome right from the beginning. She will be greatly missed 🙏

“ I wanted to offer my heartfelt condolences to the family. I played Tennis with Eva. Every time we played, either Solaris or WCC, Eva always made me laugh! She was competitive with a great sense of humor. I will miss her terribly, but glad to have known her. Rest In Peace, Eva

“Eva and I met in our local neighborhood aerobics class, many years ago. It was not long before we would soon chat during our workouts and come to realize the similarity of our personalities and, particularly, a shared sense of humor. We knew what made the other laugh.... and we honed in on that, sometimes with "a simple glance," followed by uncontrollable giggles.

After Eva discontinued coming to class, I would e-mail her with funny vignettes of the goings on and people she was missing in class, trying to entice her to return. With each e-mail, I brought a chuckle to her day, with Eva stating: "you always make me laugh," which made me happy in return.

I am grateful that I had gotten to know Eva, and that we shared joyous times and many a hard workout together.

I extend my heartfelt condolences to her family.

With sympathy,

Joan Ferraro
