“ Mami,

Aunque me alegro de que ya no estés sufriendo, las palabras no pueden expresar el dolor y el vacío que dejó en mi corazón. Estaré pensando en ti todos los días de mi vida. Descanse en paz mami.💕💕

“ *My aunt Fabiola was the kindest woman I've ever known. A good hearted person, loving mother and a generous soul. I will be eternally grateful to her for my childhood memories... it was always exciting to know that aunt Fabiola was coming to visit with my cousins from USA to Chile, she did that quite often...almost every year and we would have so much fun. I have the best childhood memories because of her. On my wedding day she was by my side helping me get ready, I still remember that moment as if it was yesterday. She was my only child's godmother, it was an great honor... and from the day my daughter was born, my aunt Fabiola never missed a birthday for over 20 years. She was a beautiful lady inside and out, she will be missed immensely.*

Love you tia, que en paz descanse.
