“ Joe and Guy your Mom was like a second Mom to me. I think outside of direct family, I may have known Mom the longest going back to 1959 when we both started first grade together. My fondest memories of her would be the great smells coming out of your kitchen from all the great cooking she and Grandma would do. Nothing like Mom making us great sandwiches for our fishing trips. I often wonder where the hell 57 years went but I will tell you I was one of THE LUCKY ONES blessed to have known your Mom, one of the original SUPER MOMS that held down a full time job like my Mom and raised a family at the same time. All my love forever, Kev

“ To Filomena's Family
My thoughts and prayers are with you during this sad time. I have such fond, warm and funny memories of your Mom as we first worked together on the weekends at Our Lady of Fatima Church. After that we became pen/phone pals and shared a few laughs over silly jokes and some juicy gossip! She will be missed. What a terrific lady!!
