“ Fred, your friendship both personally and professionally will be missed by both me and my wife Maureen. Toy collections, talking politics, some great humor and your assistance with our accident investigations will always be remembered.

“ As police officers in the traffic unit, my husband, Bob, and I had the opportunity to spend quite some time with Freddie at County Tow. He was always welcoming, a little bit of grumble but a lot of heart. And humor. You were someone we missed after we retired and moved down south. Sad to think we won't be stopping by to see you again. You added so much to so many lives. Rest In Peace.
