“ I'm so saddened by hearing about the passing of Ms Kerdavid. She was my fourth grade teacher and we kept in touch over the years. I have been trying to connect with Ms Kerdavid for the last 3 years and was unsuccessful. To her family: I want you to know Ms Kerdavid changed my life, she pushed me, she believed in me- because of her I knew anything was possible- when I told her I was pregnant and 17 she poured so much life into me. My hope was that she would be able to teach my son- and unfortunately that didn't happen. But Ms Kerdavid was my super hero- I pray she knew how much she shaped the woman I am today. I love her so much!

“ I only found out today that Miss Kerdavid passed away. She was my 5th grade teacher and will never forget her. I even remember what she wrote in my autograph book when I graduated from 6th grade. She was a kind and caring teacher whom I will never forget.
