“ Greer was my cousin. I first met him circa 1959 when the Hodge family visited Ireland. I think the picture of Greer and Gary (bottom center) which George posted was taken on our farm during that trip. I really got to know him in the mid 1980s when my wife (Jo) and I lived and worked in NYC. Passionate about sport and the Yankees in particular he taught me the finer points of Baseball during our many visits to Pocantico Hills. I even found a photo of Greer visiting us in our home in NYC circa 1985. Our thoughts are with Gary, Jane and the wider family at this sad time. Rest in peace Greer.’

“ I have fond memories of Greer when visiting on holiday from Northern Ireland. I loved sharing chats with Greer while he kept an eye and ear to the latest sport on TV! It was very special that Robert was able to visit in recent years and we really enjoyed sharing the family wedding in June 2014 when he and his mum, Aunt Anne, travelled for the day to the wedding in The Poconos. What a memorable time for all the family. Robert and I shared Greer's love for Pocantico Hills - a beautiful place to visit. My first visit was in 1977 and many more visits followed. Greer always had a smile and lived life with great determination and courage. We send our sincere and heartfelt sympathy to Gary, Jane and families. Your faithful love and care for Greer, your big brother, is commendable. I know you will miss him so much.

*For the record I believe it was Greer who threw a toy at me in 1959, on his visit to my home in Clontibret, County Monaghan, and the resulting scar on my eyebrow is there to remind me of my loving cousin!!*

*Love from Robert and Irene  
You are in our prayers*

*What a friend we have in Jesus,*

*Have we trials and temptations  
is there trouble anywhere?*

*We should never be discouraged  
Take it to the Lord in prayer  
Can we find a friend so faithful  
who will all our sorrows share  
Jesus knows our every weakness  
take it to the Lord in prayer.*

“ Greer was the author of my holiday memories each time I visited from Northern Ireland, he was so special in so many ways. One memory that really sticks in my mind was when the fire horn sounded just before supper I was tasked with the job of getting him to the station in Pocantico Hills. I can still hear the words, “ GO ROY GO ROY “, as I ran with him in his wheel chair along the side walk. Once in his dispatchers chair Greer could handle anything, he simply was the best.

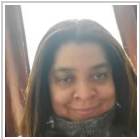

“ God didn’t promise days without rain, but God did promise strength for the day, comfort for the tears and a light for the way, and for all who believe in his Kingdom of love, he answers their faith with peace from above “..

Love to Gary, Jane and all the family at this difficult time, sincere heartfelt sympathy to all, from all of us here in Milford, Armagh, Northern Ireland.

*Peace Perfect Peace...*

“ Greer was amazing friend and great person to be around. We had many wonderful talks about our favorite baseball team the New York Yankees and sports in general. I will miss those talks and I will certainly miss him. My thoughts and prayers go out to his family.

I knew Greer through Vocal Groove at CPW. Throughout the ten years working together he was the consummate gentleman and dedicated member of Vocal Groove. His “New York, New York” rendition was glorious!!! Whenever I hear Frank Sinatra I’ll be remembering you Greer. Sing with the ★ stars.

“ Hi Everyone, I was Greer’s singing teacher at CPW and this is a huge loss for me, as he was one of the first students, I taught right from the beginning of my cpw adventure.....”Greer, you are now out of pain and can sing as many Elton John, Jimmy Buffett and Glen Campbell songs as you want....., just to name a few.....always know what an amazing presence you were at CPW and in vocal groove.....you and your talent will be sorely missed” Much love to you! Forever in my Prayers, Pooja

“ Greer was an amazing member of Vocal Groove at CPW. He had such a wonderful voice and especially loved singing the songs of Elton John, Jimmy Buffet and Glen Campbell. Greer also kept us on our toes with Sports Trivia...his amazing ability to remember not only the facts but also remembered the year it took place. We will all miss him.
