“ *Jeanne adopted and raised 2 girls with her daughter Melissa, their names are irrelevant because the point of this memory is to show Jeanne's kindness and heart. Besides everything else she did in her life, Jeanne was a loving mother to 6 children. She was always ready with a witty joke or laugh with anyone she met. Jeanne constantly thought of others before herself and showed the daughters she raised together the meaning of kindness and love. There is no greater gift than a memorable, loving childhood and that's what she gave us. She gave up so much to raise us and loved us all the more. I like to look back and smile on all the life we shared together. I love you Mom and I miss you all the time.* ”
