“ So sorry to hear of Joan's passing. I only knew her through our interactions as a customer / salesperson, but Joan left an impression. I came to look forward to our email conversations. It was always a pleasure to chat with her. She was very open about her condition and it was inspiring to see her advocate and educate others. I will miss our interactions.

“ On behalf of myself and all of Joan's classmates of the 1955 A. B. Davis Mt. Vernon graduating class condolences to Joan's family on her passing. Joan had been in contact with me with respect to her condition. She had talked about the film that she had made with her doctor. Michael Ganz
