“ Joe and my dad Shay Lynch were close friends and roommates at Williams and went to Japan together to serve during the Korean War. And my mom Debbie Beardwood Lynch was close friends with Peg and her sisters in Maine and introduced Peg and Joe when they were all living in New York. My dad has told great stories about Joe my whole life including when they drove to California to get the ship to Japan, drove around Japan in a Jeep, and had Peg and Debbie drive the car around the block while he and Joe had a beer at then men only McSorleys pub in Manhattan. So sorry to hear about Joe and hope that your family is finding comfort in each other and in warm memories of him. Sincerely, Jim Lynch
