

## Judy T. Trent

January 9, 1948 - June 27, 2021

Judith T. Trent (Judy) passed away Sunday June 27, 2021, in her home in Tarrytown, N.Y. She was 73 years old.

Judy devoted her life to the field of Developmental Disabilities and was a fierce advocate of quality care. She believed in integrity, generosity, and hard work, and lived by those values until the very end.

She was smart and witty (a Presidential scholar), who loved books and music (most of all Opera), food and wine. She loved tennis and the Yankees and had a passion for traveling taking her camera with her wherever she went.

She ran the New York City marathon, loved cross country skiing in Montana and Kayaking on the Hudson River. She loved her family, and she loved her friends.

A life well lived...

She is survived by her spouse Gloria Catinchi, her brother David Tschache (Diana), her sister Teri Scott, her Niece Holly Browder and her family, and her niece Reilly Scott. She is survived by the many members of Gloria's family, many cousins, and a multitude of friends.

She rests from her labors; may she rest in Peace.

“ Judy was my "boss" when I was the Nurse Administrator at the DQI on Morton Street. Judy was always level headed and fair-minded. She was kind and considerate and a true professional. I was sad when I heard she was sick and evn sadder when I heard of her passing. RIP Judy. You were amazing. Helene T. Schemitz RN.MA. (retired)

“ I had the honor of working with Judy at OPWDD and PHP. She was the kindest, most compassionate, brilliant, honest, funny and dear friend. I miss her dearly. When Judy was around you knew that things would be fine; she had a way of weeding through the nonsense to create simple outcomes- both professionally and personally. Always willing to lend a hand, she was generous with her time and extensive experiences. The world has lost a true hero, and we have lost a true friend. Rest in peace Judy - you have earned this right. Celia

“ There are so many funny and memorable stories about Judy we could all share. We could talk about her years of service in advocacy. we could know about her extensive knowledge and practice in government regulations. we could talk about her willingness to share her knowledge to so many people. . We could talk about her warmth, her patience and love of family and friends. We could talk about how she made us better people just by knowing her. we could talk about her moral compass and her moral courage in her profession and in her personal life. We could talk about her love of life and her thirst for knowledge. We could keep this list going on and on. I want to remember her as a wonderful friend that I will always remember as a mentor and someone who treated everyone special. MY special condolences to Gloria who stood by her in everyway, all other family members, Donna C, Ann Marie and numerous friends who truly lost a great one but who would certainly only wanted to be remembered as a simple and humble person. I will never forget you.

“ *I had the pleasure of working with Judy at AHRC Nassau, she was one of the kindest, compassionate woman I ever met. She always had a smile on her face when we met in the hallway, and always greeted me warmly. She always told me how much she appreciated my hard work and effort, always made me feel good. Her work with individuals with intellectual disabilities will carry on into the future due to her leadership and love of all mankind. Rest in Peace my dear friend. My condolences to her family*
