“ I had the pleasure to know this wonderful woman, so strong and such a beautiful heart. She would tell me many stories of her family and how much she loved them. I was very thankful for her to share many memories of her life. She made me really appreciate life and honestly was an angel. I will miss out talks and her passion for life.

“ Kathy and I had worked at IBM Poughkeepsie. She was a pleasure to work with n always so friendly n helpful. Years later we reunited via Facebook. The last few months we did lots of catching up while I visited her. She loved to talk about her family and adored her Grandsons so very very much ❤️❤️❤️ I am so blessed to have had the time with Kathy. She fought very hard but God had other plans. May God Bless her family during this difficult time; cherish the memories ❤️

“ So very sad to hear this. Have so many fun memories when she and Jan Fisher and I "hung out" together in Newburgh as teenagers. My heart goes out to her family. I am sure they know what a very "cool" mom and grandma they had! Linda Cornell
