

Kyoko Takeda

March 6, 1972 - August 14, 2024

Kyoko Takeda was a strong, beautiful woman and a wife, mother, and daughter. She left this world on August 14, 2024 at age 52 after a courageous five-year-long battle with cancer. Despite the pain, Kyoko retained an unbreakable will throughout and carried a deep sense of gratitude for all those around her. An avid lover of cute animals and the arts, Kyoko put skill, attention to detail, and passion into everything she did. She was not only her husband's life partner, but also his intelligent and wise business partner. She will be remembered for her radiant smile and miraculous ability to bring people together. She passed away surrounded by loved ones, and is now resting in peace.

Kyoko is survived by her mother, Toshiko; her husband, Yoshikatsu; her daughter, Monet; her son-in-law, Colin; and her grandchild/cat Kotaro.
