“ Weezie, I am so sorry. I'm coming home in May from Florida, and was going to surprise you. This evening I googled your name, and I was hit with this news. Felt like someone ripped my heart out. I'm certain you made it to the other side, and can feel my pain. God needed another nurse in heaven. I am so sorry I did not reach out sooner. Love you Weezie.

“ Louise, I can't believe you are gone. The reality hasn't sunk in yet. I will forever be thankful for us "hooking" up and you bringing your beautiful family to visit me in Rockaway. I'll treasure that day and those memories forever.

You were a vibrant woman and an awesome Mom whom I admired. May your children have peace and comfort and know that you are now pain free and resting in peace...you did a fantastic job raising them.

Till we meet again my dear friend....sleep with the angels. God bless
