“ I am so sorry to hear about Peggy's passing. She was one of kind. We had lots of laughs together in the Activity wing along with Ann Zitoli, Donnie Marra, Otto, and Mike Penta. My condolences to Kathy, Bobby and their families. I am sure she is cracking jokes up there in heaven.

“ Peggy as we all knew her was a wonderful and kind lady. We spent many hours at her home with her son Bobby and other friends watch hockey and football. The most generous person you could ever meet. Always opened up her home to the neighborhood kids for a safe and warm place to hang out. Tv - snacks and a loving environment. A funny and entertaining lady always making us laugh. In high school she was always a friendly face in the halls and was probably responsible for me meeting my (now husband) 40 years ago. I will never forget her and all the kindness and love she gave us all. To Bobby and Kathy (and families) our sincere condolences. Rest peacefully Peggy. Andrea and Chris DeCecchis

“ There are no words to describe how much I will miss my grandma. For years we talked basically every day on the phone, and I will forever miss hearing her voice and her making me laugh with her sarcasm. She always prioritized the needs of her family before her own, even during her last couple of days with us. I know you are finally resting with Grandpa and Daisy. I can't wait until I see you again. I love you always, Elizabeth Henry.
