Maria Centeno was born July 26, 1962 in San Carlos, Ecuador. She passed on May 24, 2020 at the age of 57. She came to the United States at the age of 33 looking for a better life and a better future for her kids. She always wanted to give her kids the world and as a mother she worked so hard to accomplish that. She has 7 kids, 12 grand kids and Miguel Guzman (her husband) who misses her dearly. She lived in the Bronx and was a very independent working woman. She always had such a contagious smile and laugh that made anyone around her smile. Maria always told jokes and made everyone in the room laugh. She was always the life of the party. Her energy was very special and she was always such a positive soul. We will always remember her as the wonderful daughter, mother, grandmother, and wife that she was. We know she was a fighter and a warrior. She fought with the corona virus for so long and she beat it.
