“ I knew Mary as a customer in the store I worked at on the UWS. We didn't spend a lot of time together but every second of it was quality. When the store closed in 2017 her encouragement meant so much to me. Eventually I found another job. I'll always remember how dear and supportive she was. We shared memories of life growing up in a funkier New York too. Bless this woman, I'm so sad to see this obit. Please know she was very special to me. She loved David so much, I remember that too.
