

## Michael Gramuglia

October 9, 1986 - August 21, 2022

Michael Gramuglia passed away on August 21, 2022. He was a lifelong resident of Eastchester.

He was a graduate of Eastchester High School, Villanova and received his medical degree from the Lake Erie College of Osteopathic Medicine. He completed his residency at New Rochelle Hospital and began his career as an internist at Harlem Hospital. While he was there, he provided selfless care to countless Covid-19 patients. His path led him to St. John's Riverside where he brought his compassion, knowledge and empathy to the Yonkers community.

He was an avid outdoorsman, loved automobiles, and had a passion for physical fitness. He had a zest for life and got the most he could out of each day. He valued friendships, loyalty and family above all things. Michael was always ready to lend a hand and always put others before himself. He had a commanding presence with a great sense of humor that he shared with everyone he knew.

Michael is survived by a brother, Christopher, parents Mary Ann and Vincent,

as well as cousins,

aunts and uncles, and many friends. He will be forever in our hearts.

A mass will be held on Thursday at the Church of The Magdalene at 11am in Sleepy Hollow, New York.

“ I knew Michael since he was a baby. Most treasured are my memories of the major holidays when our families would get together. We would share such great food and have so much fun! Michael loved the outdoors. We would spend entire days hiking the most challenging trails through Harriman State Park. I am so thankful to have shared those tough hikes with him. They are among my most fondest memories of Michael. He was a pleasure to be around, funny and smart and always ready to help others. We all loved Michael and will miss him enormously. My deepest condolences to Mary Ann, Vin, and Christopher. Enzo

“ You’re going to be so dearly missed Michael. I can’t believe you’re gone. I was still looking forward to all the fun memories we’ll make but I’ll hold on very fondly to the ones we had a chance to share until we meet again.

“ I have so many wonderful memories of you, Michael! There isn’t enough room to list them all! Yet two of my favorites, “Not on my watch!” and “Big Pat” will forever be etched in my heart. May God welcome you into His loving arms. I love you! Aunt Babe

“ Michael I hope you are in a better place now! You will be greatly missed. It was a privilege to work with you in my intern year, you really made everything seem easier and interesting. Your enthusiasm for medicine and especially nephrology was something that we all admired. I will miss your jokes and your funny stories. Condolences for the family!
