“ *Such a terrible loss! My one memory of Michael, from years ago-- Darren was little--is one I've remembered all these years. A quick how-do-you-do really, but he was uniquely spirited and engaging, which is why I'll never forget him. No doubt, he's at peace. My sympathy to all who mourn him!*

*“ Michael loved picnics. He planned a huge family bbq picnic at the Hastings river and cooked up a storm of food. Mike always did things big. An excellent cook! He also loved the Hudson River and owned a boat which he kept on the river and He loved to take people out tubing.*
