

Nelson E. Lesmo

October 13, 1937 - July 14, 2022

Nelson Eduardo Lesmo passed away peacefully on July 14th at his home surrounded by his immediate family. Born in Guayos, Cuba on October 13, 1937, where he lived, until he migrated to the United States in 1970. He was proud to call Tarrytown, New York his home until he departed.

Nelson is survived by his devoted and loving wife Marlene, and his children Vilma (husband John), Nelson (partner Rick) and Simon as well as his two grandsons Maximo and Sebastian and his sister Idalia Garcia.

A quiet, humble, and compassionate man. Anyone who knew Nelson will attest to his great sense of kindness, generosity and work ethic. He enjoyed his job at Post Automotive for well over thirty years. A proud Free Mason from the age of 17.

He always greeted everyone with a warm smile and a handshake. He acquired lifelong friends whom he stayed in touch with throughout his long full life. He loved his long walks in the village, greeting just about anyone he met along the way.

He is an example of a rich full life filled with family, love and joy. We will miss you so very much!

“ I remember Nelson very well, especially when employed at Post Automotive. He and my Uncle Eddie Cardwell worked together. The two of them were good friends throughout the years. Nelson was a gentle and humble man who always had a kind word.

“ our hearts go out to all of you, NELSON, was another of what I had always called "the old guard", they are the spirit of what immigration is, Fleeing communism for a better and free life, what they all chose to leave was heartbreaking and traumatic and sad, NELSON shared a trove of historic photos of those early days of a beautiful island with me, over cafe, his young self, his friends, their community, I will treasure that memory forever. Then a new beginning, migrating here to Tarrytown, and most of all they kept those friends, those family ties, that community spirit, worked hard and thrived, these men. their families, their legacies will always have our deepest respect and love, farewell NELSON !

“ Nelson was always a very cheerful and generous person. A man who loved his family above all things because it was the most important thing to him. Nelson greatly enjoyed the company of friends. We were lucky enough to go to his house to enjoy some of the best Cuban barbecue we've ever had, and we spent several Christmases with the lovely Lesmo family at their home in Tarrytown. We know for a fact that God is watching over him and blessing Nelson in his spiritual experience.

Nelson siempre fue una persona muy alegre y generosa. Un hombre que amaba a su familia por sobre todas las cosas porque era lo más importante para él. Nelson disfrutaba mucho de la compañía de amigos. Tuvimos la dicha de ir a su casa para disfrutar de las mejores barbacoas cubanas que hemos probado, y pasamos varias Navidades con la querida familia Lesmo en su casa en Tarrytown. Sabemos con certeza que Dios lo está cuidando y bendiciendo a Nelson en su experiencia espiritual.
