“ Want to send my deepest condolences out to the Dinielli family. Mr.  
Dinielli was a great man and a very special one. Since the first day  
that I met him I knew he was an amazing person. He always had a  
smile on his face regardless of what he was going through.

“ God must have needed his computer fixed, because He took one of the really good ones. Nick was a true gentleman. He constantly had a smile on his face and was always willing to lend a hand. He always took the time to ask how you were doing, but he never would complain about the curveballs life threw him. Those of us who knew him were truly blessed.
