“ *My Mother Lois and I have had the honor to know Norma for over 37 years. She and Ray are such wonderful people! We went to Bingo together, hung out at the pool, danced at my Labor Day parties at View Hill and enjoyed each others Company. I am deeply saddened by Norma's passing. At least I am glad that Norma and my Mother are now reunited. David Mallin.*

“ We knew Norma from View Hill Coop and we are absolutely devastated by her untimely passing. She was so lovely and full of life and joy. Always seen pruning her many plants around the bungalow in her big hat. Loved to dance to Bee Gees at our community parties. She will be missed! Our deepest condolences to Ray and the whole family. 💔

“ Ray, we always have been grateful and blessed to have known you and Norma for years both as friends and as part of the body of believers in our Lord and Savior Christ Jesus. I still remember when Gerda 'Sandy' Negron first introduced me to Norma that first Sunday morning of February 1978, when both of them showed up in Norma's car to take us (my sons and I) to the Mt. Vernon Alliance Church for the 11 AM Sunday Service. That was the beginning of a wonderful friendship with such a lovely couple. Louie and I were just looking at pictures in a scrapbook that I had made two years ago, where you and Norma are in some of them, taken at the Alliance Church celebrations and gatherings as well as those taken at the Christian Family Camp Tuscarora Inn. There are so many wonderful memories that we have of you and Norma. She was so spirited and filled with laughter and she loved life. You and your family will truly miss her; and through these times of grieving, may God comfort and give you His peace that you may rejoice in knowing that Norma is now in her new home in the presence of the King of kings and the Lord of lords-Jesus.

Dear Ray and Norma, it was a wonderful time we all had at Mount Vernon Alliance Church singing and worshiping God. Those were great times and the fellowship was beautiful and uplifting. I still remember them like they were yesterday as the presence of God moved among us believers in Christ. May you continue to praise and worship our God in His presence. Norma we are looking forward to join you in the celebration. Rest in His peace we will miss your beautiful smiles. Beryl and Adria Armbrister

I want to give you a hug, I want you to tell me " No Chris....you're bad" (with a smile) like you always did, I want you to come over and have a meal with us.

There are so many people that love you, so many that care, you will be leaving a void in many peoples hearts and lives, I am just one of them. Now go make god smile the way you made me smile.

“ *We didn't call each other often but when we did speak it was lots of laughter, reminiscing and peeling others like a banana; all in fun of course. We shared many God-incidences and spoke of our faith. These are the memories I'll keep in my heart. Norma, I'll miss our conversations and you. Cindy and I both love you. May you rest in peace. P.S. Please put in a good word for me to our Jesus.*
