Your family in Atlanta and Alabama are here for you too. With so many fond memories of your parents, Otto and Barbara and the foundation of it all... Uncle Jack and Aunt Berta. You are a beautiful family that we all are so happy to have been a part of it. Otto looks so much like his dad who he can now join and be in eternal peace. God bless! Barbara Means

Otto had a big heart, loved his family and community. He was so much fun at family gatherings. He would take over cooking all the fish, only otto fish batter was used, Otto singing his happy birthday song, we have so many memories to share. Otto is truly going to be missed. My Prayers and condolences to all the family, put God first and we will get through this. Love you all.
