Sally Anne Bjorkland passed away surrounded by her family on September 21st, 2025 following a difficult two-year battle with cancer. She was 54 years old and is survived by her loving husband Robert “Bo” Bjorkland Jr, her children Alec and Hannah Bjorkland, and her cat, Rogelio. She was predeceased by her father Peter Dente, mother Edna Wingate, and her brother Clayton Dente.

She grew up in Irvington, NY—a place that she loved dearly due to all of the amazing life-long friendships it brought her. Sally later moved to Sleepy Hollow, NY where she was introduced to her future husband. She fell in love with the town for its charm and Halloween spirit.

Sally was an extraordinary wife, mother, daughter, sister, aunt, cousin, and friend. She was everything to her family: their inspiration, strength, support, and personal travel agent. Nothing made Sally happier than trips with her family. Some of her favorite places to visit were Aruba, Long Beach Island,

Hershey Park, Disney World, and Universal Studios.

Sally was a dedicated and proud employee of UPS for over three decades, where she was lucky enough to meet some of her dearest friends.

Sally was the most generous person you could ever meet; she gave everything to those she loved and asked for nothing in return. Around Sally, no animal—stray or otherwise—was left unfed.

Her courage and strength were immeasurable. Sally will be greatly missed by everyone who was blessed to know her.

“ *Sally was a woman of extraordinary generosity, giving wholeheartedly to those she loved and never seeking anything in return. Her kindness extended to every living creature.*

Her courage and strength were remarkable, and her absence will be profoundly felt. Sally will be dearly missed by all who had the privilege of knowing her.

Though she is no longer with us, the love, compassion, and strength she shared will live on in the hearts of all who knew her. Her legacy is one of kindness, selflessness, and unwavering devotion to both people and animals alike.

Sally will be always in my heart!!

“ One of my favorite memories of Sally was when my fiance and I would battle and catch pokemon for her whenever she felt too unwell to go outside. She would show so much love and joy, for everything we collected for her. She was a joy to our lives that I was so honored to cherish, and to know. May she forever rest in God's heavenly kingdom. 💖🌸
