

Scott Daniel Many

January 2, 1965 - December 9, 2024

Scott Daniel Many, 59, peacefully passed away on December 9th, 2024 in Ossining, New York.

Starting 1965 off with a bang, Marjorie and Daniel Many welcomed their son Scott into the world on January 2nd. He graduated from Sleepy Hollow High School in 1983 and went on to study at the University of Delaware. Scott was an extremely talented and avid swimmer. You would think he's half fish if you ever saw him swim. His talent went as far as qualifying to compete in the Olympics. After his father's sudden and unfortunate passing, he selflessly gave up his dream to take care of and provide for his sister, mother, and grandmother.

In 1994, Scott met Trish Lyons. They both went on to have 3 beautiful children, Ryan, Jackson, and Luke. Scott was a very active and loving father. He enjoyed sharing his passions with his children. He passed his love of baseball down to his two sons, Jackson and Luke, by coaching both of their baseball teams as they grew up, and bringing his family to Yankee games. Scott also shared his love and appreciation of music with his daughter, Ryan, by bringing her to concerts of bands he saw growing up. He shared the most special things in his life with the most special people in his life. His kids were absolutely everything to him, and will continue to spread the light that shined so bright within him.

He was preceded to heaven by his mother and father, and is survived by his three children and sister, Vicky. While we have lost a father, brother, friend, and colleague, he will be remembered for his kindness and laughter that he spread wherever he went. Let us celebrate his life as he would've wanted, with love, laughter, and gratitude.

Words can't describe how sorry i am to hear of the passing of Scott. My sincere condolences Milly. What a beautiful, and happy life you both lived with one another. Scott was always very sympathetic to all. An outstanding conversationalist, a genuine, public relations genius. May your soul rest in peace "ad vitam aeternam" i'm Al Levy
