“ *I did not know this woman, but got to know her through our Friend, Karen, daughter of Ms. Davis. She was a kind, sweet individual and our hearts go out to the family for their loss. Please know that she will always be there in spirit and flight through the morning dove watching over you. May she rest in peace.*

*Mom's passing has already left a deep void in the hearts of her church family at First White Plains. A Sister of deep faith with an Angelic voice, sweet and quiet disposition, always encouraging and never fall short of reminding you how much she loved you. Our class will never be the same without her, but we will go on knowing she will always be in our hearts. May God who alone knows how to impart strength to his children in these difficult times, hold, comfort, and succor you in the hallowed pa of his hands.*
