

## Victor B. Castro

October 23, 1943 - August 26, 2021

Victor B. Castro a proud husband, proud father of two sons and daughter-in-law and proud grandfather of two grandsons passed in the early morning of Aug.26,2021, at the age of 78 young. He is at rest and on his new journey to our Lord Jesus Christ of Nazareth after a long fight with his health condition of vascular dementia. He is at peace.

Castro, as he was known to friends and family was a blessed happy full of life great human & animal lover. Known for being a hardworking man and helping others as a way of his happiness, loved to make others laugh, laughing with them, and sharing his wit. It was a wonderful sight to see this lover of dance connect with his wife and enjoy all types of music. A problem solver, he was a person that adapted to many conditions and changes in life.

Quoting someone he met while working in Central Park, famous Bruce Lee, who said be like water – “Now, water can flow or it can crash. Be water, my friend.” That’s who he was, as strong as an ocean wave yet helpful as a glass of water refreshing your thirst, and bringing you comfort as water is life. So next time you have a glass of water think of him. As he was like water - strong, warm, comforting, yet cold or hot as the passion within him. If you knew him this well, you were blessed. He will live on through his loving wife and family, in God he trusted and in Heaven he is.

The family will be holding a private funeral this weekend. Any donation made in honor of Victor B. Castro can be made via Zelle to the Chase account of Mr. Castro linked to email : c.f.c.mngr@gmail.com

Víctor B. Castro, un esposo y padre orgulloso de dos hijos, abuelo orgulloso de dos nietos y nuera. A falleció en la madrugada del 26 de agosto de 2021, a la joven edad de 78. Está en reposo y en su nuevo viaje hacia nuestro Señor Jesucristo de Nazaret después de una larga lucha con su estado de salud de demencia vascular. El esta en paz.

Castro, como lo conocían sus amigos y familiares, fue un bendito, feliz y lleno de vida, un gran amante de los seres humanos y los animales. Conocido por ser un hombre trabajador y ayudar a los demás como una forma de su felicidad, le encantaba hacer reír a los demás, reír con ellos y compartir su ingenio. Fue un espectáculo maravilloso ver a este amante de la danza conectarse con su esposa y disfrutar de todo tipo de música. Un solucionador de problemas fue una persona que se adaptó a muchas condiciones y cambios en la vida.

Citando a alguien que conoció mientras trabajaba en Central Park, el famoso Bruce Lee, quien dijo que sea como el agua: "Ahora, el agua puede fluir o puede estrellarse. Sé agua, amigo mío ". Eso es lo que era, tan fuerte como una ola del océano, pero útil como un vaso de agua refrescando tu sed y brindándote consuelo como el agua es vida. Así que la próxima vez que tomes un vaso de agua piensa en él. Como él era como el agua: fuerte, tibio, reconfortante, pero frío o caliente como la pasión dentro de él. Si lo conocías tan bien, eras bendecido. Vivirá a través de su amada esposa y familia, en Dios en quien confió y en el Cielo está.

La familia celebrará un funeral privado este fin de semana. Cualquier

donación hecha en honor a Víctor B. Castro se puede hacer a través de Zelle a la cuenta de Chase del Sr. Castro vinculada al correo electrónico:

“ My deepest condolences to the Castro family. I pray that god gives you his healing hand and strength to get through this. Victor Buchner Castro was my godfather and a great man. Growing up, he never missed a birthday, Christmas or New Years and I looked forward to seeing him every year. He was thoughtful and genuinely loved me. I will always remember your way you would say, ahijada linda, whenever I walked into the room. Thank you for all the love you showed me and know I will forever be grateful that I had the best godfather a girl can ask for. I love you so much. I have comfort in knowing that you are at peace and know you are now another angel i have to watch over me. Rest In Peace padrino lindo. Until we meet again.

“ I'm so sorry to hear of your passing. There are no words to ease your family's pain or sorrow during this time. Castro was a wonderful person to know. Memories of our families gathered at special occasions are plenty. Here's a favorite picture I have on my refrigerator at your favorite restaurant in Chinatown. Buck was rough housing his nephew and you were ready for the photo. 😊😊  
The picture always puts a smile on my face. I'm thankful to have known you. And even though our families haven't seen each other in awhile, the Castro family is always thought of lovingly. I've included some older photos too. May your family find comfort and lean on each other for strength. 💖💖💖  
Love Luisa and the Vera family.

“ *He was my sisters godfather. He was very sweet, and a hardworking man. I remember as a little kid. Our house parties. He would bring the best donuts from a factory I believe he worked at. And he would never come empty handed for birthdays or Christmas. He will definitely be missed. My prayers are with his wife and family during this hard time. 🙏*
