“ *To my dear Father In Law and Abuelo to my boys..I will forever cherish all the memories we had together especially how you loved and love our boys, Steve, Daniel and Kevin, throughout their lives and how you were always there for them and loved them so dearly. All the home made food you brought over to make sure they eat, to bringing them to your "farm", the Rockefellers Farm, to picking them up from Sports, School, The train, etc., but especially showing them love and support, as you came to visit them every day and give them a hug and kiss. We will miss you dearly..You and I had a special relationship also, that I will cherish forever. Until we meet again...* ”
